FOREWORD

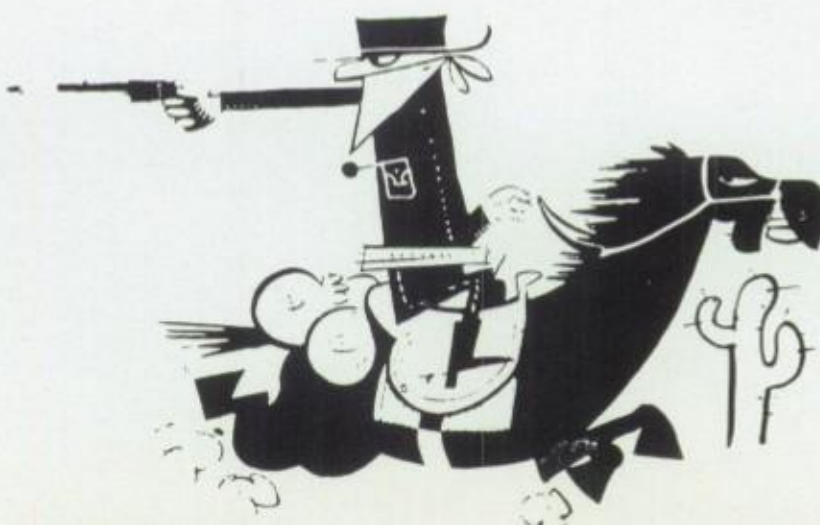

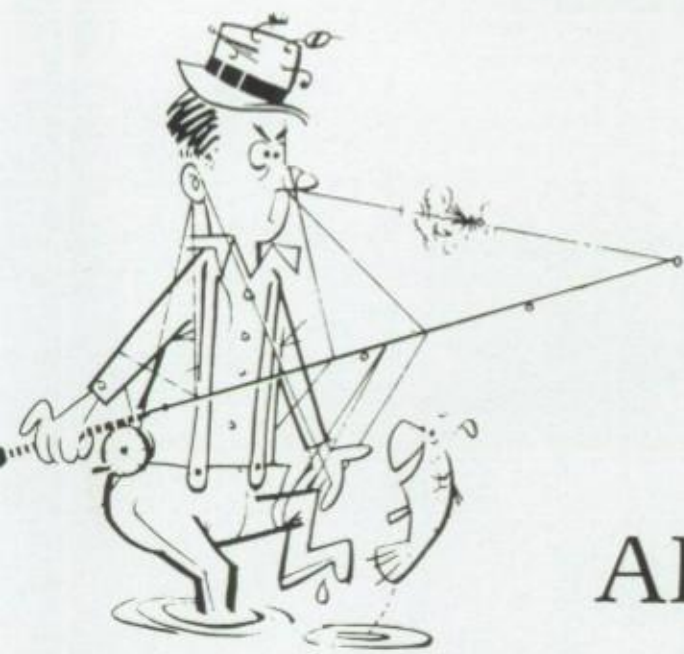

Students, Teachers, and Friends:

I count myself extremely lucky to be one of the youth graduating into a new decade. None of us know what the future holds for us, but each of us has a new opportunity to build a world of his or her own. I, for one, know nothing about what I will make of my life, but really feel by being on the annual staff that I have learned a lot about business and how to get along with poeple - something very important in the world today. I wish to thank each annual staff member - Helen, Burney, Susan, Fred, Bob, Cindy, Jimmy, and Nancy for his cooperation and I will always remember the fun we always had. I want to thank Mrs. Martin for her support for without her diligence and her good-naturedness this yearbook could not possibly have been a success. I hope this annual will hold many special memories for each person looking within these pages.

Here is my special wish for each person to have whatever he most desires out of life.

The 1970 annual staff wishes to dedicate this edition of the HORNET to Coaches O. K. Wolfenbarger and A. E. Fleming. These men have spent many hours in furthering students' athletic abilities and sportsmanship.

Let it be said that although they did not always succeed, they gave their all to trying to help each student they could - in football, basketball, and track.

This recognition has been long in arriving, but is well-justified. Congratulations to Mr. Wolfenbarger and Mr. Fleming for their outstanding efforts as coaches - and as people.

Thanks to the annual staff and their sponsor, Mrs. Martin, for their dedication and hard work in compiling their fine book. May it bring fond memories to all of us.

We the board of Trustees appreciate the efforts of all the faculty.

We would like to extend our praise and hopes for the Seniors as they go on to greater challenges in life.

Yours truly,

SUPERINTENDENT

I congratulate the annual staff and sponsor for this fine yearbook which will become more valuable to the holder as year go by.

The will to work toward worthwhile goals, efficiency, and spirit that has been exemplified by the students, faculty, and school patrons are attributes which have made this a successful and rewarding school year. These same qualities will certainly lead to future attainments and even greater pride in ourselves and our school.

Best Wishes

PRINCIPAL

As we made "a giant step for mankind" this past year, it proved anew that whatever man can conceive and approach with courage and determination, he can eventually accomplish. May you so aspire.

Sincere congratulations to Mrs. Martin, Barbara Davis, and the Annual Staff for their excellent work on this 1970 Hornet.

Best Wishes

REG

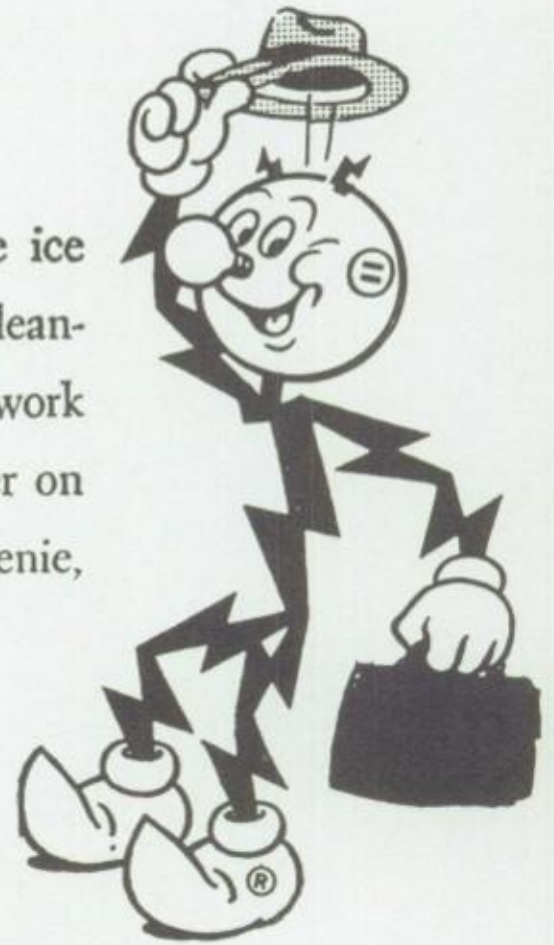

Congratulations

VERNA B.

MAY I COME IN ?

I'm Reddy Kilowatt, and I live the best kind of life of all! My life is good because I'm always welcome . . . wherever I go. That's because all I know how to do is help

people do things. Like make ice cream. Or run the vacuum cleaner. And light a city. I go to work for you at the flick of a finger on a switch. I'm your personal genie, and I like my work!
